

Rock Climbing at Joshua Tree NP Oct 11 & Oct 12 2008

Experience the fun and excitement of rock climbing and rappelling on the rocks at the Joshua Tree National Park. This overnight outing is limited to the first 25 participants, so sign up quickly by Oct. 1 2008.

Cost : \$100

Each year many climbers from all over the world travel to Joshua Tree. More established routes than any climbing area in North America. It could very well be the most popular climbing area in the world.

Qualified instructor will give you a high level of in-depth rock climbing instruction. Graduates of rock climbing class come away with an excellent understanding of climbing principles. Climbing and safety equipments are provided.

Parents / Drivers Needed.

This is a convenience camping. Water, restroom, other services & amenities are on the camp site. Please join us and enjoy the day.

Please visit Troop 693's 2008 activity web calendar for more detail information:
